Not just on the MLS...Now on The International MLS [IMLS]®

The International MLS [IMLS]® connects buyers and sellers of Real Estate all over the world. Home buyers cross local, state and international lines when moving and buying a home and I enable your home to be seen by people all over the world.

Benefits of working with us:

- ✚ As a Global Luxury Agent of The International MLS [IMLS]®, I offer maximum visibility with international exposure to seek the highest price for your home
- ✚ The only way your listings can be on agent/broker sites all around the world...automatically!
- ✚ From Florida to Spain, from France to Los Angeles, The IMLS search has been delivered to agents and brokers as they share in commissions from their clients-Examples [BHHS Fox and Roach](#) - [Better Homes and Garden Masiello Group](#)
- ✚ Have your home as a Featured Listing on The International MLS [IMLS]®
- ✚ For greatest exposure of your property, having your property listed on The IMLS along with the traditional local MLS increases your property's exposure throughout the world
- ✚ Experienced global sales & marketing Real Estate professional
