

# Press Release

The International Realty, Inc. Welcomes Dhalia Malta into  
The IMLS Family

## Dhalia Places Their Malta Listings on The International MLS

Los Angeles, CA, April 20, 2011: Dhalia Real Estate Services has signed an agreement to share their Malta listings with The International Realty, Inc. and will be displayed on The International MLS. The International MLS provided by TheInternationalRealty.com provides an international MLS (Multiple Listing Service) with over 100,000 properties in 35 countries, and this will now increase to more than 40 countries. Dhalia Real Estate Services joins the growing list of top agencies around the world to provide property listings to this new global portal and technology platform.

The sophisticated technology platform of TheInternationalMLS.com is a referral based system, bringing together agents and brokers from around the world. Carefully selected and approved real estate agencies worldwide post and update their listings and agree to a trusted business model where consumers will effectively and responsively be communicated with by real estate professionals on a timely basis.

"Dhalia is a wonderful supplier of major listings in Malta. Being a leading Real Estate Agency in Malta, it has been a wonderful pleasure for us to work with Alan Grima and establish our new partnership we share with them," says CEO Dr. Daniel Nussbaum of The International Realty, Inc. "The International MLS allows agencies from around the world to not only market their properties globally but also ensure that consumers are followed up with immediately by the person who knows the most about the properties or areas they are interested in purchasing. We are honored to be able to represent Dhalia worldwide."

For Release 10:00 A.M. PST, April 20, 2011

#### About The International Realty, Inc.

The International Realty, Inc. is a privately held real estate company based in Encinitas, California, USA that has almost 100,000 property listings in 35 countries and more than 300 new home developments in 25 countries making it one of the most comprehensive databases of property listings in the world. Property listings are imported via electronic XML data feeds from TOP selected global agencies so that they can increase sales for agencies and empower all agents and brokers to display international property listings knowing that commissions can be made on any sale which is generated by their IMLS search. Information on The International Realty, Inc. and all its services are available at [www.theinternationalrealty.com](http://www.theinternationalrealty.com).
